

Guillaume de Chambrier

Avenue de la Gare 3 – 1020 Renens – Switzerland • Born 29.06.1987

079 822 76 35 • guillaume.dechambrier@epf.ch

<http://lasa.epf.ch/people/member.php?SCIPER=213946.com> • Swiss and British

Profile

With several independent projects, I am expert in developing and applying machine learning techniques to robot systems and I possess meticulous strong analytical skills.

Education

PhD in Manufacturing Systems & Robotics **École polytechnique fédérale de Lausanne, Switzerland**

Thesis: Learning Search Strategies from Human Demonstrations

2012 - 31.08.2016

supervisor: Prof Aude Billard

First class Master of Informatics with Honours Informatics

University of Edinburgh, UK

Thesis: Statistical Analysis of DNA Methylation Profile

2006 - 2011

Erasmus Exchange, Bachelor

Universität des Saarlandes, Germany

2008 - 2009

Experience

Teaching Assistant

Course: Applied Machine Learning (Master)

École polytechnique fédérale de Lausanne

2012-present

European Project

Flexible Skill and Intuitive Robot Tasking

École polytechnique fédérale de Lausanne

2012-2013

Technical Skills

Programming: C/C++, Python, Java, MATLAB

Expertise: Robotics, Reinforcement Learning, Non-parametric Bayesian inference, Machine learning & Computer Vision

Languages

French, English (first language)

Awards and Certification

2010: Google Prize: Best Phase 1 Project in Master of Informatics Programme

Conference Oral Presentations

de Chambrier G, et al: (Oct. 2013). Learning from Failed Demonstrations in Unreliable Systems. IEEE-RAS International Conference on Humanoid Robots, Atlanta, US.

de Chambrier G, et al: (Dec. 2013). Learning search behaviour from humans. IEEE-Robotics and Biomimetics (ROBIO), Shenzhen, CN.

de Chambrier G, et al: (Jun. 2014). Learning search policies from humans in a partially observable context. Journal of Robotics and Biomimetics. 1:8
